

NEAVE GROUP FALL LANDSCAPE CHECKLIST

There's still plenty of time left in the season to take care of tasks in your landscape before cold weather sets in.

Summer may be winding down, but we're still gearing up for a busy fall! Call Neave TODAY to talk about how we can help you with your fall landscape plans.

10 FALL PROJECT IDEAS FROM NEAVE GROUP

- 1 Complete projects like outdoor living spaces, decks, walkways, retaining walls and patios
- 2 Add seasonal plantings to flower beds and outdoor containers for a bright pop of color
- 3 Install fall plantings like trees and shrubs — they thrive in cool, damp fall weather
- 4 Hire Neave for professional trimming and fall cleanup for your property
- 5 Aerate, overseed and apply fall fertilization to your lawn (start a program now for next season)
- 6 Spray for fleas and ticks to protect your family and pets (activity is high in fall)
- 7 Close your pool or spa for the season, or plan for renovation
- 8 Perform irrigation maintenance and winterize to protect your system through cold weather
- 9 Hire Neave Decor to install your holiday lighting — so you can enjoy it, not curse it (we're scheduling installs earlier than ever this year)
- 10 Dream big! Schedule an appointment with a Neave Group designer to plan for next spring (securing permits for structures and pools can take a while, so it's never too early to start)
